Class Farewell

The class of 1958 wishes to thank our parents for the patience and consideration they have given us making these 4 years of high school possible.

We also wish to thank the teachers who have given us such a sound educational foundation that will aid so greatly in our futures.

Finally, we wish to thank Mr. Roger Lager who helped us to prepare this year's MIRROR. We feel sure we could never have accomplished it without this help.

As we leave Manlius High we only hope that the faith everyone has had in us will prove itself in the following years.

Class Prophecy

As we enter the prosperous community of Manlius, Illinois, in 1983, we find that there are two sides to this bright community, the East Side and the West Side. The East side illustrates the old-fashioned way of living. We find that most of the members of the class of 1958 live in the West side of town because they believed in living for the future. The West side of town runs all the way to a canal where ocean-going liners now make their way to Manlius, but the East side has remained where it is because it would cost too much money to move the city limits out any farther. We find that the mayor of this bustling community is James Rashid. He learned to run things while at MHS.

As we drive down the Manlius Freeway we meet two of our former classmates, Glenn and Wayne, in their Rassmobile, the car of the future. They have turned out cars by hand faster than Detroit ever did. We also find that they employ Larry Jo as their chief painter. He's the creator of those famous six-tone paint jobs.

As we turn off the Freeway we see the Cape Manlius Space Ship Proving Grounds. We find Alan as the main head of the Proving Grounds with Sonny as the chief test pilot and Ron, the chief mechanic and rocket expert. No organization can operate efficiently without the well-known office girls. So it is with the U.S. Government. It has Karen, Mary, Carol, and Jane as their highly trained and efficient workers. They learned how to be efficient in Mr. Lager's shorthand class.

As we fly down the street where all the married people live, we see Rachel, an Air Force wife with her four little guided-missiles flying around in the front yard. We also see Jeanne, A Navy wife with eight little ships in her front yard. Another classmate, Donna, has also joined the ranks of the happily wed. Farther down the street we see that the Ann Ericson Ballroom is headlining, as the feature attraction, Emma Jean and her world-famous Rock and Roll Trio. Also employed at Ann's Ballroom is Skip Wood, the great comedian, who has appeared at the Coca-Capana for the fabulous period of two years without leave, and is now ending this amazing record.

Jerry, the top movie actor and man about town with the teenagers, has made 75 top movies and won 74 academy awards. The only one in which he didn't earn an award was when he played the role of the hero who didn't win the girl. That just broke his heart!

Art, another classmate, can still be seen in the East side of town riding a horse, for he believes that horses are safer than the new-fangled inventions.

Marvin is still the leader of the Harlem Spacetrotters and has performed 20 years without stopping. He has also played with the Chicago Cubs for a period of 25 years.

Connie and Letha are married and each has five kids. They live in the Bel Aires section of Manlius. Their husbands are the oil tycoons of the Universe.

We find in the industrial part of Manlius that Squeek has taken over the Kraft Foods Plant and is putting out more of Chesney's Cheap Chewy Cheeses faster than ever before. We also see that Nyla owns Nyla's Nifty Knitting Co. and employs Sharon and Carolyn, the two old maids of our class. They specialize in making cheerleaders' uniforms.

So as we leave this bright community of Manlius, Illinois, we've seen that each of the class of 1958 has been successful in his own way.

Class History

On Aug. 30, 1954, we green freshmen, 16 girls and 13 boys, entered M.H.S. to begin our climb "up the ladder, step by step, until we reach success." For this year we elected Darla Durham--pres., Marvin Anderson--v. pres., Sharon Plumley--sec., and Jerry Woodley--treas. Our advisor was Mr. Heidel. Our first big event of this year was initiation which we enjoyed very much and somehow managed to survive. We took part in several money-making ventures; selling pencils, taking part in the magazine campaign, and holding a record dance were three of these. During this year Carol Krager moved to Walnut and we also lost Melvin Lampley. Later Donna Devenyns joined our class from Tiskilwa leaving us a total of 28.

Our silly sophomore year began on Aug. 29, 1955. This year all 28 members of our class returned but later Darla Durham moved to Tiskilwa and Joe Niedziela joined us from St. Bedes School still leaving a total of 28. Officers elected were: Jim Rashid--pres., Donna Devenyns--v. pres., Nyla Nelson--sec., and Jane Glafka--treas. This year our advisor was Mr. Cliff. We were busy with many activities including two record dances, a bake sale, magazine campaign, chili dinner, and selling belts.

As jolly juniors we began the year on Aug. 17, 1956, with a group of 28 boys and girls. We lost Joe Niedziela who enlisted in the Navy and we gained Gene Moore from Aledo. Jim Rashid as pres., Nyla Nelson as v. pres., Sharon Plumley as sec., and Jane Glafka as treas. were chosen. We had Mrs. Block and Mrs. Yates as our advisors. In October we received our class rings; our activities were record dances, a chili dinner, picking up corn, the class play, and pop and milk distribution. The biggest event was the Jr.-Sr. Prom. The theme was "Evening in Paris" and decorations were done in blue, white, and silver. After the dance we went to Walnut to see the movie, GIANT. On Aug. 28, 1957, as serious seniors we began our last year of high school. During the summer Bonnie Zimmerman moved to California and shortly after school started Skip Wood moved here from Michigan. We then had a total of 28 students. Officers elected: Jim Rashid--pres., Nyla Nelson--v. pres., Rachel DeSkeere--sec., and Jane Glafka--treas. We chose Mrs. Yates and Mr. Milburn as our advisors. During this year we enjoyed the following activities: Homecoming Dance, bake sale, record dance, barbecue dinner, chili supper, hobo day, class play, and we sponsored the football stand and coat check at basketball games. Our final activity was our class trip, the result of four years of hard work by all the members of our class.

Twenty-nine of us entered good old M.H.S. for our first year as upperclassmen. On November 13 we held a chili supper which added greatly to our funds. We also enjoyed many other money-making projects which were as successful. One of the most thrilling events was the receiving of our class rings. We feel that they are truly beautiful and we're all proud to be wearing them. We are anticipating a really pretty Jr.-Sr. Prom. We will try very hard to make the Senior's last Prom one that will be remembered.

The production of the "58" MIRROR was a great experience for all those on the annual staff. We appreciate all the co-operation we have had with editing the annual. We wish to thank Mr. Lager, the annual advisor, who was very understanding and helpful. We also wish to thank all those who helped finance this annual. We hope that all will enjoy the annual.

Football

Coach Les Conkling's Manlius Red Devils opened up the 1957 football season with 41 boys. Out of these 41 boys Coach Conkling assembled one of the mightiest power-houses in the Little 8. Our offense, second only to Tiskilwa, consisting of Roger Jones, end; Larry Neahring, tackle; Gary Roush, center; Jim Chesney, tackle; Bob Frank, end; Snorky Anderson, halfback; Larry Hansen, halfback; and Marv Anderson, our leader at quarterback, averaged 35 points a game. Al Davidson was another quarterback who helped add depth to our team. Jerry Woodley, also a senior, helped out the Red Devils when they needed aid. Larry Hansen, a junior halfback, won first honors in the scoring race with 108 points. Our defense, also one of the best in the Little 8, consisted of Bob Frank, end; Bill Neidetcher, tackle; Harold Miller, tackle; Roger Jones, end; Jim Rashid, linebacker; Art Dobbeke, linebacker; Snorky Anderson, halfback; and Marv Anderson, halfback. We held our opponents to an average of 9 points a game.

Basketball

Fifteen Varsity candidates reported to Coach Bill Jenkins on the first day of practice. Of these only one was a returning letterman. After last years very successful team it was the hope of these to do their best to keep the good standing of Manlius. They tied for third in the conference and lost their second game of the Little Eight Tournament to Tiskilwa. In the Tampico Holdiay Tournament they took third place by beating the host team in a double overtime with Marv Anderson making the winning basket. They took second place in the District Tournament beating the second and third seeded teams, Wyanet and De Pue, and losing to the favored Bureau Township team.

Those composing the Varsity nucleus were: Marv Anderson, Snorky Anderson, Roger Jones, Harold Miller, Bruce Raabe, Alan Davidson, and Jerry Woodley. Marvin Anderson was selected on the Little Eight All Star team and received the free throw award of Manlius High.

The Frosh.-Soph. team had four boys playing their first year of high school basketball. The boys gained experience for next year's teams.

Go! Fight! Score! Win!

On Friday, August 30, 1957, the eighth grade class of Manlius Junior High School held its first class meeting at which time we nominated officers for the year. On September 6, we had a class meeting in the gym and elected the following officers: President, Richard Nelson; Vice President, Paul Nordstrom; Secretary, Sandy Jensen; Treasurer, Frosty Schuneman; Librarians, John Lefman and Gerald McCoy. The cheerleaders elected were: Cathy Hansen, Carol Snodgrass, Sharon Vols, and Sandy Jensen. The last Friday evening in October, the members of the class met at Joe Rodgers where we had a hayrack ride followed by a wiener roast.

On December 20, we exchanged Christmas gifts and had refreshments. We presented our teacher, Mrs. Doty, with a television lamp. The class held its bake sale on February 15, 1958, at the Manlius Post Office. We made a total profit of \$18.00.

The class went to New Salem and Springfield on the class trip.
